Presentation	Evaluates clarity of storytelling, logical structure, visual support, delivery, and the team’s ability to respond to judges’ questions confidently and thoughtfully.	20%

Scoring Criteria(2/3)

中華電信 Chunghwa Telecom ESG

CHT recommends structuring your formal proposal around the following key aspect.

Executive Summary (1 Slide Only)
* Problem
* Target customer
* AI-enabled solution
* Market opportunity
* Why CHT?

Problem & Opportunity
*Clear pain points
*Market gap
*Why existing solutions fail
*Why now (AI, relocation, digital shift)
*Supporting data

Market Analysis
*TAM / SAM / SOM
*Growth (CAGR)
*Target customer profile
*Competitive landscape
*Clear differentiation

Solution & Value Proposition
*Product / service overview
*How AI is essential
*Customer use case / workflow
*Competitive advantage
*Role of CHT

Business Model
* Revenue streams (who pays?)
* Pricing logic
* Cost structure (high level)
* Key partnerships
* Scalability logic

Strategic Fit with CHT (Critical)
* Why CHT?
* Which CHT assets are leveraged (5G, ICT, AI, Data, Smart Solutions, Global Subsidiaries)
* Revenue contribution potential
* Strategic synergy

Scoring Criteria(3/3)

中華電信 Chunghwa Telecom ESG

CHT recommends structuring your formal proposal around the following key aspect.

Financial Projection (5 Years)
* Revenue forecast
* Cost projection
* Gross margin
* Break-even timeline
* Key assumptions

Implementation Roadmap
* Phase 1 / 2 / 3
* Key milestones
* KPIs
* Resource requirements
* Major risks & mitigation

Risks & Mitigation
*Market risk
*Execution risk
*Regulatory risk
*Mitigation plan

Impact & Scalability
*Business impact
*Replication potential
*Long-term value
